

The image shows a large, multi-story lodge building with a central courtyard. The building features a mix of wood and stone accents, with a prominent central tower structure. The courtyard is paved and has several people walking around. In the background, a large, rugged mountain peak rises against a clear blue sky. The overall scene is bright and sunny, suggesting a clear day.

& Mountaineer Conference Center

[MountaineerSquare.com](http://MountaineerSquare.com)

*New luxury accommodations and state-of-the-art meeting and conference space surround the open courtyard, in the heart of Crested Butte Mountain Resort's ski village.*

The Lodge at Mountaineer Square is Crested Butte's newest luxury property, and features spacious hotel and condominium accommodations. The Lodge surrounds the new Mountaineer Conference Center, and is located just steps from the ski lifts. Guests can choose from 130 units, appointed with the finest mountain touches and ranging from standard king hotel rooms to elegant three bedroom suites.

The NEW state-of-the-art Mountaineer Conference Center includes 9,000 square feet of unique and flexible event space, including the 5,000 square foot Grand Ballroom, and accommodates groups from 20 to 500.
