

# Welcome to This Week in the Butte: January 6 - 15

The 2016-2017 winter season is here! To help you get the most out of your stay, we have outlined a few things to do in town and on the mountain. Whether you like art, good food, adventure, or you want to enjoy a local event, the CB Connection will help guide you. We hope you have a wonderful time at Crested Butte Mountain Resort and make memories to last a lifetime!

## Mountain High Music Festival

Presented by Dean Dillon, the Mountain High Music Fest is returning to Crested Butte from January 11-15. The Mountain High Music Fest will proudly present a diverse lineup of the world's best performers along with the most buzzed about, up-and-coming talent for an eclectic mix of mile-high musical performances.

Building on last year's successful event, this year's festival will once again raise money and awareness for Tough Enough to Wear Pink and the Adaptive Sports Center, by showcasing the faces, voices, and stories behind some of today's biggest hit songs.

Tickets and lodging deals are available by visiting the event page on [skicb.com/events](http://skicb.com/events).

## Full Moon Party at Ten Peaks

Take a self-guided skin or snowshoe tour to the top of Ten Peaks and warm up inside the Umbrella Bar. Enjoy a delicious buffet dinner under the moonlight, including fondue, salad, soup or chili, dessert and one complimentary wine or beer (please be prepared to show ID at the Umbrella Bar). Additional beverages will be available for purchase.

Get your tickets early as space is limited! Event tickets are for sale in advance at the Adventure Center for \$40 per person.

Don't forget your headlamp and be sure to layer up!

## North Face Guides

Now that we have opened both The High Lift and North Face Lift, learn to ski our awesome extreme terrain with the North Face Guides. This in-bounds group tour allows participants to experience the resort's famed extreme terrain, concentrating on skiing and riding off the High Lift and in the North Face area of the mountain. The tour includes an evaluation and light education, helping adventure-minded guests make the jump to extreme skiing and riding. To book your lesson call Skier Services at 970-349-2211.

## Fit For Snow - Binge Drinking

Consuming the equivalent of 4 alcoholic drinks will dehydrate you about 1 liter; mix with an energy drink and you will dehydrate even further.

Binge drinking diminishes muscle healing and your body's ability to build more muscle after training. Meaning a small injury can amount to the end of your season and a sad trip home!

If you plan to party, alternate your alcohol with water (or sport drink) to remain hydrated (and prevent hangovers), and remember that binge drinking impairs your physical and mental ability for up to a week after.
