

FIRE DANGER

Smoking of any kind is prohibited on the mountain and on our lifts. Report fires immediately via cell or on-mountain emergency phones to (970) 349-2236.

SUN PROTECTION

With every 3,000' increase in altitude, UV levels rise by 10% - 12%. We recommend eye protection and broad spectrum sun care products to ensure protection from UV rays.

PROTECT YOUR PURCHASE

Your ticket or pass is non-transferable and may not be resold or used by anyone other than the person to whom it was issued. Report lost or stolen passes to resort staff or law enforcement immediately. Resort staff may ask you to show your pass or ticket at any time. Failure to show a valid pass or ticket or engaging in

fraudulent behavior of any kind may result in loss of resort privileges and/or criminal prosecution.

MARIJUANA CONSUMPTION

It is illegal to consume marijuana in public and is not permitted on any Resort property. Crested Butte Mountain Resort operates on U.S. Forest Service land and possession and use of marijuana remains illegal on U.S. Forest Service per federal law.

AERIAL DRONES

Recreational drone use by any guest or member of the public, for any reason, is not permitted on or over any Vail Resorts' property.

LIGHTNING AND THUNDERSTORMS

Afternoon thunderstorms are common

in the mountains. Take proper precautions when you see or hear a storm developing: seek shelter, keep off ridgelines, and stay clear of chairlift houses, lift towers, power lines, open spaces, lone trees and signposts. Lifts may close due to weather, causing delays.

HIGH-ALTITUDE ENVIRONMENT

You may tire more easily above 9,000'. Take it easy at first, plan short periods of aerobic activity until you are acclimated, and drink plenty of water. Some visitors may experience symptoms associated with Crested Butte's high altitude. Symptoms may include headaches, nausea and dizziness, loss of appetite, restless sleep, coughing, and difficulty in breathing. If symptoms persist or if you have a concern about your health,

you should immediately seek medical attention.

WEATHER AND TERRAIN

YOU ASSUME THE RISK OF unpredictable weather, as well as rugged, uneven, irregular, and slippery conditions.

ADEQUATE CLOTHING

Mountain weather changes quickly and there is usually at least a 10 degree difference between the base and mountain summit. We recommend dressing in layers, bringing a raincoat, and consider a sweater, fleece or light down outer layer.

LIFT SAFETY

Under Colorado law, you cannot board a lift unless you have sufficient physical dexterity, ability and knowledge to negotiate or to use such lift safely or until you have asked for and received

information sufficient to enable you to use the lift safely. You may not use a lift when under the influence of drugs or alcohol. Please lower the bar when riding lifts.

MULTI-USE

Be aware that trails and roads on Crested Butte Mountain are used for many purposes during the summer. Mountain bikers, hikers, horses, motorized vehicles, construction equipment, and others may be encountered at any time.

CONSTRUCTION WARNING

You may encounter construction equipment, maintenance vehicles, or other heavy machinery at any time. Always be cautious and obey posted signs and warnings.

MOUNTAIN BIKING

Helmets are required when loading

bikes onto CBMR lifts and sturdy shoes with good tread are recommended at all times. Child carriers or tow-behind bikes are not permitted and all bikes must have two working brakes. All loose clothing, bags or packs should be firmly secured so they do not interfere with the bicycle's moving parts. Mountain bikers must always yield to other non-motorized trail users. Should you encounter hikers or horses on any trail, you must yield the right-of-way. Ride on designated trails only and obey all posted signs and warnings. Failure to do so may result in lift ticket and/or pass revocation.

WILDLIFE

Do not litter or feed wildlife. Guests rarely encounter bears or moose, but if you do, please remain calm and back away slowly. Crested Butte Mountain Resort asks that everyone is cautious and respectful of wildlife.

RULES OF THE TRAIL

- Uphill Traffic shares the road with summer maintenance trucks; PLEASE BE CAREFUL.
- Uphill access is permitted only on Up and Away and Multi-Use trails.
- Uphill access is not allowed on any downhill bike trails.
- Pedestrians should not use downhill bike trails to travel UP or DOWN on the mountain.

Hotdogger is a super fun descent with berms and rollers throughout and leads to Down Time and to the lift for your next lap. Then head out toward Columbine for a XC ride through beautiful meadows and forests.
