TRAIL PROGRESSION
Warm It Up Easiest

HOTDOGGER, DOWN TIME, PRIMER, PAINTER BOY

RIDER TYPE: Novice XC/All Mountain

Beginner trails are recommended for new riders to build their skills or experienced riders to warm up for the day. Hotdogger is a fun descent with berms and rollers leading to Down Time. Teaser is a fun descent with berms and rollers leading to Down Time. The lift for your next lap, Primer to Painter Boy is a XC-style singletail that also connects to Down Time. These are the easiest ways down the mountain, but still require the ability to pilot a bicycle over rough terrain.

RULES OF THE TRAIL

Uphill access is only permitted on Up and Away and Multi-Use trails and is prohibited on any Bike-Only Downhill trails. Hikers and pedestrians are prohibited from using Bike-Only Downhill trails. All dogs must be on a leash and kept off all Bike-Only Downhill trails.

FIRE DANGER
Smoking of any kind is prohibited on the mountain and our lifts. Report fires immediately via cell phone or on-mountain emergency phones to (970) 349-2236.

SUN PROTECTION
With every 3,000' increase in altitude UV levels rise by 10%-12%. Wear eye protection and broad spectrum sun care products to ensure protection from UV rays.

PROTECT YOUR PURCHASE
Your ticket or pass is non-transferable and may not be resold or used by anyone other than the person to whom it was issued. Resort staff may ask you to show your pass or ticket at any time. Failure to show a valid pass or ticket or engaging in fraudulent behavior may result in loss of resort privileges and/or criminal prosecution. Report lost or stolen passes to resort staff or law enforcement immediately.

MARIJUANA CONSUMPTION
Marijuana is not permitted on resort property and is illegal to possess or consume on U.S. Forest Service land per federal law.

AERIAL DRONES
Recreational drone use by any guest or member of the public, for any reason, is not permitted on or over Vail Resorts property.

LIGHTNING AND THUNDERSTORMS
Thunderstorms are common in mountain climates. Take proper precautions when you see or hear a storm developing: seek shelter and stay clear of ridgelines, chairlift terminals and towers, power lines, open spaces, lone trees and signposts. Lifts may close due to weather.

HIGH-ALTITUDE ENVIRONMENT
Visitors may experience symptoms of altitude sickness at high elevations including headaches, nausea and dizziness, loss of appetite, restless sleep, coughing and difficulty breathing. Plan short periods of aerobic activity until acclimated and drink plenty of water. If symptoms persist seek medical attention immediately.

WEATHER AND TERRAIN
All visitors assume the risk of unpredictable weather, as well as rugged, uneven, irregular and slippery conditions.

ADEQUATE CLOTHING
Mountain climates can experience rapid changes in weather and temperature. Dress in layers, including a fleece or down sweater for insulation and a waterproof coat for rain protection.

LIFT SAFETY
Under Colorado law, in order to board the chairlift, all lift passengers are required to have sufficient physical dexterity, ability and knowledge to use the lift safely or have received sufficient information to enable the safe use of the lift. The use of a chairlift when under the influence of drugs or alcohol is prohibited. Please lower the bar when riding.

MULTI-USE
On-mountain trails and roads are used for multiple purposes during the summer. Mountain bikes, hikers, horses, motorized vehicles, construction equipment and others may be encountered at any time.

CONSTRUCTION WARNING
Construction equipment, maintenance vehicles, or other heavy machinery may be encountered at any time. Always be cautious and obey posted signs and warnings.

WILDLIFE
Littering and feeding wildlife is prohibited. Be cautious and wary of posted signs and warnings.

MOUNTAIN BIKING
Helmets are required when loading bikes onto the lift. Study shoes with sufficient tread are recommended. All clothing, bags or packs must be secure to avoid interference with the chairlift and bikes. All bikes must have two working brakes. Child carriers and tow-behind bikes are not permitted. Mountain bikers must yield the right-of-way to other non-motorized trail users, including hikers and horses. Mountain bikers are only permitted on designated trails and must obey all posted signs and warnings. Failure to do so may result in lift ticket and/or pass revocation.
