

The Crested Butte Mountain Resort facilities, operated by Crested Butte, LLC, are located in the Gunnison National Forest and are under permit from the Forest Service, U.S.D.A.

TRAIL PROGRESSION

Warm It Up ● Easiest

HOTDOGGER, DOWN TIME, PRIMER, PAINTER BOY

RIDER TYPE: Novice XC/All Mountain

Beginner trails are recommended for new riders to build their skills or experienced riders to warm up for the day. Hotdogger is a fun descent with berms and rollers leading to Down Time and the lift for your next lap. Primer to Painter Boy is a XC-style singletrack that also connects to Down Time. These are the easiest ways down the mountain, but still require the ability to pilot a bicycle over rough terrain.

STEP IT UP ■ Intermediate

TEASER, COLUMBINE, LUGE, FREQUENCY

RIDER TYPE: Intermediate Downhill, XC/All Mountain

Time to pick up the pace! Luge is a gravity-fed descent with some rolling and berming to help you keep your speed. Teaser boasts undulating terrain and jumps to help learn how to get the wheels off the ground. Head toward Columbine for a XC ride through beautiful meadows and forests.

SPEED IT UP ◆ Advanced ◆◆ Expert

AVERY, TIMELINE, WESTSIDE

RIDER TYPE: Expert Downhill, XC/All Mountain

Avery is a DH racetrack that has a little bit of everything for the experienced shredder. Roots, rocks, speed and air all present themselves in this super fun ride. Timeline is the most popular trail on the mountain with fast flowing turns and large jump features. Westside is a classic Rocky Mountain XC trail with tight trees, technical rocky sections and fast singletrack.

MOUNTAIN BIKER'S RESPONSIBILITY CODE

Mountain biking involves risk of serious injury or death. Your knowledge, decisions and actions contribute to your safety and that of others.

- STAY IN CONTROL**
You are responsible for avoiding objects and people.
- KNOW YOUR LIMITS**
Ride within your ability. Start small and work your way up.
- PROTECT YOURSELF**
Use an appropriate bike, helmet, and protective equipment.
- INSPECT AND MAINTAIN YOUR EQUIPMENT**
Know your components and their operation prior to riding.
- BE LIFT SMART**
Know how to load, ride and unload safely. Ask if you need help.
- INSPECT THE TRAILS AND FEATURES**
Conditions change constantly; plan and adjust your riding accordingly.
- OBEY SIGNS AND WARNINGS**
Stay on marked trails only. Keep off closed trails and features. Ride in the direction indicated.
- BE VISIBLE**
Do not stop where you obstruct a trail, feature, landing or are not visible.
- LOOK OUT FOR OTHERS**
Look both ways and yield when entering or crossing a road or trail. When overtaking, use caution and yield to those ahead.
- COOPERATE**
If involved in or witness to an incident, identify yourself to staff.

Know and Follow the Code. It is Your Responsibility.

RULES OF THE TRAIL

Uphill access is only permitted on Up and Away and Multi-Use trails and is prohibited on any Bike-Only Downhill trails. Hikers and pedestrians are prohibited from using Bike-Only Downhill trails. All dogs must be on a leash and kept off all Bike-Only Downhill trails.

Winter 2023/24

MOUNTAIN BIKING

Helmets are required when loading bikes onto the lift. Sturdy shoes with sufficient tread are recommended. All clothing, bags or packs must be secure to avoid interference with the chairlift and bike. All bikes must have two working brakes. Child carriers and tow-behind bikes are not permitted. Mountain bikers must yield the right-of-way to other non-motorized trail users, including hikers. Mountain bikers are only permitted on designated trails and must obey all posted signs and warnings. Failure to do so may result in lift ticket and/or pass revocation. Use of Class 1 electric-assisted bicycles (e-bikes) on resort trails at CBMR is permitted. As defined by the U.S Forest Service, a class 1 e-bike is “an e-bike equipped with a motor that provides assistance only when the rider is pedaling and ceases to provide assistance when the e-bike reaches a speed of 20 mph.” Class 2, Class 3, and unclassified electric bicycles are not permitted within the resort. Adaptive e-bikes are permitted on lifts and select trails when associated with Adaptive Sports programming and events within the resort. This includes three and four wheeled adaptive hand cycles with throttles. Signage prohibiting the use of e-bikes beyond the permit area will be placed at trail intersections to USFS system.

Terms & Conditions for details.

FIRE DANGER

Smoking of any kind is prohibited on the mountain and our lifts. Report fires immediately via cell phone or on-mountain emergency phones to (970) 349-2236 or 911.

SUN PROTECTION

With every 3,000' increase in altitude UV levels rise by 10%-12%. Wear eye protection and broad spectrum sun care products to ensure protection from UV rays.

PROTECT YOUR PURCHASE

Your ticket or pass is non-transferable and may not be resold or used by anyone other than the person to whom it was issued. Resort staff may ask you to show your pass or ticket at any time. Failure to show a valid pass or ticket or engaging in fraudulent behavior may result in loss of resort privileges and/or criminal prosecution. Report lost or stolen passes to resort staff or law enforcement immediately.

MARIJUANA CONSUMPTION

Marijuana is not permitted on resort property and is illegal to possess or consume on U.S. Forest Service land per federal law.

AERIAL DRONES

Recreational drone use by any guest or member of the public, for any reason, is not permitted on or over Crested Butte Mountain.

LIGHTNING AND THUNDERSTORMS

Thunderstorms are common in mountain climates. Take proper precautions when you see or hear a storm developing: seek shelter and stay clear of ridgelines, chairlift terminals and towers, power lines, open spaces, lone trees and signposts. Lifts may close due to weather.

HIGH-ALTITUDE ENVIRONMENT

Visitors may experience symptoms of altitude sickness at high elevations including headaches, nausea and dizziness, loss of appetite, restless sleep, coughing and difficulty breathing. Plan short periods of aerobic activity until acclimated and drink plenty of water. If symptoms persist seek medical attention immediately.

WEATHER AND TERRAIN

All visitors assume the risk of unpredictable weather, as well as rugged, uneven, irregular and slippery conditions.

ADEQUATE CLOTHING

Mountain climates can experience rapid changes in weather and temperature. Dress in layers, including a fleece or down sweater for insulation and a waterproof coat for rain protection.

LIFT SAFETY

Under Colorado law, in order to board the chairlift, all lift passengers are required to have sufficient physical dexterity, ability and knowledge to use the lift safely or have received sufficient information to enable the safe use of the lift. All guests must be able to approach the chairlift load point under their own power. The use of a chairlift when under the influence of drugs or alcohol is prohibited. Please lower the bar when riding.

MULTI-USE

On-mountain trails and roads are used for multiple purposes during the summer. Mountain bikes, hikers, horses, motorized vehicles, construction equipment and others may be encountered at any time.

CONSTRUCTION WARNING

Construction equipment, maintenance vehicles, or other heavy machinery may be encountered at any time. Always be cautious and obey posted signs and warnings.

WILDLIFE

Littering and feeding wildlife is prohibited. Be cautious and respectful of wildlife. If an encounter with bear or moose occurs, remain calm and back away slowly.
