Late Child Drop-off Policy

Our programming is complex and requires our campers to be dropped off on time and at the Camp CB drop-off location. Every camper is required to have a Parent or Guardian sign-in for each activity day, unless stated otherwise on sign up forms. This is required by our State of Colorado Licensing agreement and no exceptions are allowed. In addition to the sign in requirements, we do not accept campers who are late for offsite activities. It is best practice to have all campers together, from the beginning of all activities to cover safety rules, guidelines and expectations for the activity day. This best practice benefits the instructors and sets up all participants for activity success and safety. If campers are late and the activity has left the Camp CB drop-off area, participants will be charged for that day's activity and will be unable to participate.

Immunization Records

Immunization records are required for all children participating due to our State Licensing Requirements. Your child is not required to have a COVID Vaccination. We are required to collect your child's full Immunization records before your child can attend camp.

Child is a Colorado Resident and their immunization records are in the Department of Public Health Colorado Immunization Information System.

Child is not a Colorado Resident and I have attached a copy of their immunization records.
