Crested Butte Mountain Sports Team Athlete Code of Conduct – Page 1 of 2

The following are general rules for participating with the Crested Butte Mountain Sports Team. These rules are guidelines for your conduct as a CBMST athlete and parent. As a CBMST athlete, you are expected to act in a mature and responsible manner as your actions reflect on yourself, your parents, coaches, and the program/team as a whole. Your behavior directly affects the team's reputation, standing in the community and ability to access better training opportunities and cooperation from the mountain. These rules must be adhered to. Any rule infraction may result in disciplinary action as set forth

Dear Parents, Please know it is a privilege for us to be entrusted with the opportunity to coach your child and the rest of the competitive skiers and snowboarders of the Gunnison & Crested Butte area and beyond. We at CBMST are going to do all we can to help your child reach his or her full potential on and off the slope. We will be focused on instilling a love for skiing and an appreciation of being safe, the learning process, and respect for others. Through these, your child can best realize their athletic potential and develop character traits that will serve them throughout their lives in whatever they choose to do. We want what is best for your child – their health, well-being, and future as an athlete and a person. You, the parents will play a vital role in your child's success with the Mt Sports Team. We can only accomplish our goals if we have your help and support on and off the hill!

ON-HILL POLICIES AND BEHAVIOR

1. Remember, we are ambassadors for the area, and we need to act as such at all times. Please show respect for your coaches, teammates, public skiers, and employees of Crested Butte Mountain Resort.
2. Foul language on the hill or in the club room is unacceptable. Directing profanity towards your teammates or Coaches directly or indirectly, on-hill or off, will be taken very seriously and will be dealt with accordingly.
3. All athletes will arrive at training with a good positive attitude. Athletes will be expected to be attentive and energetic or they will not be welcome to train.
4. Always carry your season pass. It is not our responsibility to get a replacement ticket if you forget your pass!
5. Be courteous when presenting your ski pass at all resorts. The lift attendant is simply doing their job!
6. Obey the skier's responsibility code. The general public comes first at all resorts. Typically, you will be the better skier or rider, be respectful to those learning the sports we all know and love.
7. No fast skiing in any SLOW zones.
8. Lift line privileges will be managed by the staff and are a privilege that may be revoked or suspended at any time. Athletes must be with a coach to access this privilege.
9. Athletes should always present themselves with an appropriate, respectful, athletic demeanor.
10. Always use the restraining bar on any lift that is equipped with one, and please sit back & sit still.
11. In case of emergency, call the ski patrol **970-349-2236** or go to a lift attendant for assistance.

TRAINING ATTIRE:

1. Helmets must be worn at all times and fastened correctly.
2. Training attire is different for every sport. Please check with your head coach during the first weeks of training to find out what is expected of the athletes.

EQUIPMENT

Equipment needs vary by sport and level. Please check with your head coach in the fall to find out what will be expected for the athlete's individual needs.

Your equipment is your responsibility. Take an active interest in learning proper tuning techniques, we are happy to help! By the time you are 13, you should be able to maintain your skis/board without the help of your coaches or parents and not just the ski racers! Take care of your equipment and it will take care of you.

ACADEMIC ELIGIBILITY

School work is equally important, if not more so than competing in sports!

1. Each student athlete must maintain at least a cumulative "C" (70%) in each class for a given semester in order to continue to train and compete with CBMST. If acceptable grades are not maintained at all times, the privilege of training and racing may be taken away. Please refer to the CBCS- CBMST Cooperative Program and the CBCS Student Athletic Handbook for more details. We cannot stress the importance of this enough!

2. It is the athlete's responsibility to inform and communicate completely, well in advance (2-week min.), with their teachers prior to absence from class for any races or special training where they will be absent from school.
3. It is the athlete's responsibility to make up missed assignments and/or find a tutor if needed.

Crested Butte Mountain Sports Team Athlete Code of Conduct – Page 2 of 2

TEAM ROOM AND OFFICE

1. Please be respectful of all locker room space.
2. Every day one team will be responsible for locker room clean up.
3. Wrestling, snowball throwing, pole fights, name calling and roughhousing will not be tolerated.
4. The team and coaches' offices are off-limits unless invited.
5. Tuning benches are there for everyone's use. Please clean up after yourself.
6. Hard goods can be stored in locker room overnight. Soft goods and boots must return home with the athletes daily.
7. CBMST is not responsible for lost tuning supplies or equipment.
8. Borrowing other teammates' equipment or items without permission will be treated as stealing and will immediately be treated as a 3rd infraction as described below.
9. Only the coaching staff may use video equipment, cameras, drills, etc.
10. If eating lunch in the building, athletes are responsible for cleaning up after themselves.
11. Drugs of any kind are illegal and their use is prohibited by CBMST members. Alcohol, marijuana, illegal drugs and tobacco are illegal for those under the age of 21, and their use is strictly prohibited. CBMST will enforce these laws and will contact the police if we find anyone breaking these laws. This includes traveling for competitions and training.
12. No pets are allowed in the building, team room, or on the hill.
13. There will be no recording of any athletes of any nature in the team room.
14. Certain coaches of MST are mandatory reporters for child abuse and SAFESPORT certified.

PENALTIES FOR RULE INFRACTIONS

CBMST will enforce the above code of conduct. Any disrespect or disregard for these rules will be met with serious consequences.

1. Infraction 1: Dismissal from practice for the day.
2. Infraction 2: Suspension from practice and races for the week.
3. Infraction 3: Release from the team with NO MONETARY COMPENSATION.

CBMST Travel Guidelines

Parents and Athletes, please review these guidelines to make yourself aware of CBMST travel policies.

Athletes competing at an event – even if they do not travel with the team or stay with the team – will be required to share in the cost of the coach’s travel expenses (team gas & food). These costs are not included in your program’s tuition and are additional costs as well as coach labor on longer trips. For example: If you are a 2 day/wk. athlete on a 5 day trip there will be a 3 day coach fee @\$40/day.

- Athletes must have notified all of their teachers a minimum of 2 weeks in advance and provide them with a tentative schedule for the season ASAP. School work missed should be done during the trip or prior to and the students should not request extra time to complete assignments.
- Athletes may be charged a coaching fee for the difference of the days of the trip and the days of programming they have enrolled for. (i.e. A 1-day athlete goes on a 3-day trip they will be billed for the additional 2 days of coaching while on the trip.)
- Any athlete under the age of 13 must be accompanied by a parent or guardian.
- Athletes must be invited/approved by the attending coach in order to travel with the team and/or attend the competition as a CBMST athlete.
- A trip summary and expense work sheet will be provided for the away competition 14 days prior to the event.
- The trip roster will be finalized 5 days prior to departure. Any changes in the roster after 5 days will result in a minimum \$50 fee or more depending on the expenses and circumstances of the trip.

1. Be on time for all departures.
2. Have your equipment ready prior to departure. Make a check list!
3. Assist in loading, unloading and cleaning the team vehicles.
4. Ensure that all entry fees are paid in advance and athletes are provided adequate funds for incidental costs such as lift tickets, food, etc...
5. Travel and lodge with CBMST coaches during out-of-town events, unless otherwise approved and pre-arranged.
6. Respect boundaries - no boys in girls’ rooms and no girls in boys’ rooms unless supervised by a coach or parent.
7. Follow curfew restrictions designated by coaches and all other *Athlete code of conduct rules*.

- CBMST will do everything possible to supply transportation to away competitions, but due to increasing schedule demands of other disciplines and a growing number of athletes attending this may not always be possible.
- Failure to adhere to any of these guidelines may result in travel suspension and/or training suspension.

I have read and understand the travel guidelines:
